

REPORT ON CITY PROGRESS DUE SOON

HOPPERS HATCHING OVER COUNTY

Farmers Using Control Measures

A large number of cotton farmers over several sections of Milam County have reported that their fields are becoming infested with grass hoppers.

This was due chiefly to the recent warm weather and light showers that have occurred during the past few weeks. Most of the grasshoppers are in the bottom lands and are hatching out rapidly from recent reports, however, the prairie lands have some infestations.

Some farmers have already begun the early insect control measures and these measures have paid off since the insects are killed out at the beginning of the crop and damage is less. The insects are easier to kill when young as it takes a smaller amount of insecticides to combat them.

The young cotton in most areas of the county is looking good as well as the corn and other feed crops already planted. The hoppers are especially hazardous to the tender leaves of the young corn and hogear and sometimes eat the small stalks.

In the past two years grasshoppers damage has been very heavy. A number of local firms have purchased large quantities of insecticides for farmers over this area to control the insects.

Reports have also come in that the insects are hatching in some areas of Bell, Falls and Burleson Counties. These counties too have been hard hit by the grasshopper invasion in the past few years. Applications for insecticides should be applied to the young crops at regular intervals.

Since there has been only a small amount of rainfall during the past six months, the ground is still open and as soon as the hoppers hatch they can easily come to the surface to destroy the vegetation.

The tomato vines are putting on tomatoes and large clusters can be seen from the roadside. It was hoped by some of the growers that early tomatoes would reach the local market by the latter part of this month. If perfect weather conditions prevail, they might reach the market earlier.

HD Council Sponsors County Wide Banquet

On the evening of May 5, in the Simon George Memorial Hall in Cameron, the Milam County Home Demonstration Council sponsored a county wide banquet in observance of the Silver Anniversary of the National Home Demonstration Association.

Honor guests for the occasion were the Commissioners Court and past Council Chairmen. The past Council Chairmen attending were Mesdames Willis Vogelsang, Gus John, Hope Camp, O. H. Gross, Bernice Charles, E. H. Foster, and Miss Ethel McKinney. Others that had served as far back through the years as 1926 were invited to attend. Approximately 125 people attended the banquet.

The Council Chairman, Mrs. George Young and the Recreation Committee, Mrs. W. E. Boyd and Mrs. Hugh Wimberly, presided. Mrs. Fritz Doss, gave a very enlightening review of the accomplishments of Home Demonstration work over the past 25 years. She pointed out many worthwhile phases of Homemaking accomplished in Milam County, state wide, nation wide, and how the Extension program has spread into other countries. Other forms of entertainment was furnished by the Home Demonstration Clubs in the form of songs, piano numbers and a little dance. Eight 4-H Girls assisted Mrs. Fred Reno in serving the banquet. The girls were: Jacqueline Linke and Johnnie Smith of Thorndale 4-H club; Murrell Charles of Sharp Club; Florence and Billy Swanzy of Burlington Club; Norma Mills of Milano Club; Bernice Fischer and Evelyn Glaser of Buckholts Club. These girls assistance was greatly appreciated.

COUNTY WIDE SCOUT CAMPOREE HERE

AT THE ANNUAL FFA BANQUET held for members and their parents several of the boys received certificates of Merit for their various farming activities. Here you see Carl Hill receiving his certificate from Wallace Colburn, State Vice-President. Seated, left to right are Ardell Fagel and his parents, Mr. and Mrs. Louis Fagel, Mr. and Mrs. J. M. Fuller, Miss Norma Lunsford, FFA Sweetheart and Vannoy Stewart, State FFA advisor.

Junior Chamber Of Commerce Sponsors Childs Clinic At Milam Co. Health Unit

Forty-two patients are under immediate supervision of the County's Crippled Children Clinic, according to Dr. Gus Evans, Jr.

The Junior Chamber of Commerce sponsored the clinic that was held on Thursday, April 26. He is president of the Junior Chamber of Commerce.

Thirty-two of these patients were rechecked at the clinic and eight new applicants were received by the Crippled Children's Division.

Seven patients were placed under observation and home visits will be made by the County Health Nurses as well as the County School Nurses. All of these patients are Milam County residents.

Falls County had 13 cases registered at the clinic last Thursday. Follow ups will be made on all the cases. This will be done by the Health Unit Nurses. Applications of new patients will be filed and the parents will be permitted to choose from the list of available orthopedic surgeons, the doctors they want to treat the child.

These doctors work under the Crippled Children's Division of the State Health Department. After the doctor is decided upon, the doctor visits the child and treatment is then begun and hospitalization, if needed, for braces and other medical attention.

The purpose of the Crippled Children's Clinic is to develop the deformities of a child so that they may become a well adjusted adult by the time they are 21.

Sister Of Local Woman Buried Tuesday

Mrs. Mattie Rogers, widow of the late Ben S. Rogers, died at the old family home in Independence at 4:30 Monday afternoon, April 23, 1951.

Mrs. Rogers was the sister of Mrs. B. F. Bailey of Cameron and was well known here in the city. She was born at Independence, the daughter of the late J. H. and Helen Blue, and married Mr. Rogers in 1890 at the old Baptist Church at Independence. They lived in Brenham where Mr. Rogers practiced law until his death in 1911. After his death Mrs. Rogers moved to the old family home in Independence where she spent the remainder of her life. She was a life member of the Independence Baptist Church and was educated at Old Bay-

Douglas Obermiller Wins First Place

Cameron, Freeport and Yorktown won in the Slide rule contest in Conference AA, A and B Austin at Friday May 4.

Douglas Obermiller of Cameron won first place; Edwin Bennett, Mission, second; Fred Schneider, LaMarque, third place in the Conference A division. Everett of Freeport won first place in the Conference AA and Joe Menn of Yorktown first place in Conference B.

Students from Corpus Christi and Amarillo won in the boys and girls contest in Extemporaneous speech in literary competition of the interscholastic League Friday.

Houston, Eagle Pass and Adrain students won in ready writer contests. Winners of the one-act plays were Jefferson Davis High School of Houston taking first place, with the play "Minnie Fields"; Abilene second, presenting the "Little Foxes," and Denton won third presenting their act of "The Barretts of Wimple Street."

New Exercises To Begin Here

Honor students at the Ada Henderson School have been announced, according to C. L. Canady, principal.

The thirteen top ranking students are as follows in alphabetical order with no regard to rank; John Morris Duncum, Wayne Fisher, Nancy Grabbein, Joe Lee Heitman, Lillie Ann Jekel, Billie Nell Johnson, Nita Nabours, Billie Price, Bobbie Price, Yvonne Storey, Joyce Wallace and Ann Wimberly.

Promotion exercises will be held at the Yoe High School Auditorium from 2 to 3 P. M. May 22.

The public has a cordial invitation to attend these exercises. There will be no commencement exercises as there has been in past years.

This new way of promotions was agreed upon by the School Board and the faculty and this is the first year to be instituted at the Ada Henderson School. There will be no Valedictorian or Salutatorian students named since the regular commencement exercises will not be held.

AWARDED SILVER STAR

Corporal Donald N. Batte recently received the Silver Star award for his outstanding performance in combat and duties in the service of his country.

The decorating ceremony was held on a small landing strip in a forward area in Korea. Corporal Batte received the award from Frank Pace Jr., Secretary of the Army. In addition to the Silver Star he has received the Purple Heart. He has been wounded three times in combat.

Corporal Batte is the adopted son of Miss Mary Belle Batte, the grandson of Mrs. Dick Batte and the great-grandson of R. L. Batte, Sr.

Cameron Firemen Attend Convention

The 39th Semi-Annual Central Texas Firemen's Convention was held in Hearne Sunday, May 6th. Twenty central Texas towns were represented. Thirteen cities had Racing teams in the contest after the regular meeting.

The Cameron firemen set a new record in the Central District when they hooked up the pumper and getting water in 18.5 seconds. The previous record was 19 seconds. The state record is 17 seconds.

The time for all participants was as follows; Hearne 22.4, Burnett 38.9, Belton 27.4, Brownwood 20, Rosebud 20, Killeen 25, Lampasas 26, Thorndale 24.4, Taylor 21.2, Seguin 22, Roundrock, No Time, Bremond, 24.2, Cameron the last contestant 18.5 seconds, which was heartbreking to all other contestants.

The Cameron racing team consisted

Scouts Over County Urged To Attend

All the Boy Scout Troops in Milam County will stage a Camporee at the Wilson-Ledbetter Park Friday and Saturday May 11 and 12 it was announced by Rev. John C. Solomon.

Formalities will begin at 5 P. M. Friday and activities will come to a close at 1:15 on Saturday.

All parents are invited to be present for the Council Fire at 8:15 Friday night and any of the scouts fathers may spend the night at the camp with the boys.

Richard Bush, district chairman will be in charge and Harry Hahn, field executive of Central Texas will be present for the affair. All scouts over the county are urged to attend the Camporee and many advantages helpful to the scouting movement in the county will be stressed.

Mrs. Mark Magers will be in charge of the singing.

Yoe High Band Winner In Region III

The Yoe High School band attended the Region III Band Contest at Waco High School on Saturday, May 5 and took first place in all divisions and solo numbers, under the direction of Francis Cox.

The band competed in concert playing and sight reading, and also had one entry in flute quartet, one entry in French horn quartet, and two entries in baritone solo competition.

The results show a clean sweep for the Cameron entries as follows:

- Band— Concert playing, First Division rating.
- Band— sight reading, First Division rating.
- Flute Quartet— First Division Rating.
- (Martha Collins, Ann Bradbury, Jane Henderson, Edward Brady.)
- French Horn Quartet— First Division rating— (Ann Hinyard, Yvonne Wimberly, Jimmy Crook and Erwin Kruse.)
- Baritone Solo— Billie Nell Johnson— First Division Rating.
- Baritone Solo (Billy Weideman— First Division rating.

Oil Well At Liberty Showing Prospects

Much excitement was created the earlier part of the week when prospects of an oil well was almost certain on the Modest Blakey place in the Liberty Community approximately 12 miles east of Cameron.

Drilling had been in progress for sometime but had been shut down recently but later resumed in the past few weeks. It was reported that some oil blew in Monday night but the shaft of the pump broke and all the casings and other equipment had to be taken out and a new shaft put in.

The Bird Oil Company of Dallas is doing the drilling and the approximate depth of the well is around 5,700 feet. There has been prospects of oil in Milam for several decades but nothing too promising has ever materialized. It was hoped that after operation continues that the well will come in.

It was reported that there is a good possibility that the well might put out 70 or 80 barrels a day. A number of geologists that have been in Milam County in recent years have indicated that there is a great possibility of bringing in an oil well in this county.

Miss Pauline Sakewitz visited her parents at Rogers over the week end and attended the wedding of Miss Laverne Finney and Floris Lange at Buckholts.

Report On City Progress Due Soon

Representatives of the A. C. Upleger Company of Waco, public accountants, were in Cameron recently to audit the city's books, according to W. H. Stafford, city secretary.

The Upleger Company has audited the city's books for the past twenty years and is one of the oldest auditing firms in the state of Texas.

The financial year for the city of Cameron is from April 1 to March 31 of each year and the statement of the City should look very good since the purchase of the Water Department and the installation of the parking meters.

The Water Company has grossed over \$38, 000.00 during the nine months from July 1, 1950 through March 31 of 1951 which is a good indication that the city will prosper from this valued asset in future years. The statement of the water department last month reported that the company has netted almost \$23, 000.00 in the nine month period.

With the summer months just around the corner more water will be used and the income will still be even greater and civic minded citizens of the city predict a net income of over \$30,000.00 a year from the water revenue.

If this amount consistently continues to come in, the bonds may be paid off in a shorter time than first predicted. After the bonds are paid off, this money can be used to a great advantage that would be highly beneficial to the city, if however the city officials would use adequate fore thought in utilizing this added income on a good sound constructive basis in building some permanent achievement that would benefit future generations.

More school facilities are badly needed in Cameron since so many of the rural schools have consolidated with the Cameron School District. If something isn't done in the near future about added facilities, the overcrowded situation in the local school will no doubt become serious. The School leaders surely realize the seriousness of this matter.

The schools along with the churches are the most essential institutions that we have and they should be kept, maintained and developed as the element of time and circumstances demands that facilities be enlarged.

Federal Meat Grading Stamping Regulation In Effect May 9

When housewives shop for meat, they can tell at a glance what grade they are buying.

The reason— on or after Monday, May 14, no retailer may sell meat unless it is stamped with grades.

The grading and stamping regulation for meat wholesalers went into effect Wednesday, May 9. Wholesalers are not permitted to sell, offer for sale, ship or deliver meat which has not been graded and stamped.

Meat covered by the grading and stamping regulation of the Office of Price Stabilization include all beef, veal, calf, lamb, yearling mutton and mutton, Fred C. Hopkins, Houston District OPS price executive announced.

And starting Monday May 14, new ceiling prices for beef cuts go into effect. Retailers are required to post by June 3 the new ceiling prices for beef.

These beef prices will be effective until July 31. On that date, OPS will put into effect the first of two ceiling price reductions—designed to save the meat eaters of American millions of dollars.

The next ceiling price reduction will take place October 1. These step-by-step reductions in beef will result in average reductions by next fall about 10 per cent.

The OPS regulation stabilizing beef prices is part of a group of regulations of the following firemen: Jerry Mikula, Captain, Jack Logan, B. A. Slavik, Frank Richter Jr., Joe Petru and Vaughn Jenness.

The next Semi annual district convention will be held in Killeen, Texas next October. Approximately twenty five people from Cameron attended the convention.

Series E Owners Have New Options On Maturing Bonds

Ten years ago on the first of May 1941, the United States Treasury sold the first Series E Savings Bonds. Americans now hold around 500 million E Bonds, worth some \$34½ billion, present cash value. On May 1, 1951, E bonds begin to mature.

The first E Bonds were titled "Defense Savings Bond," followed in 1946 by "U. S. Savings Bond." Since mid-January the Treasury Department has been referring to them as Defense Bonds. However, under all these names it is the same Series E Saving Bonds, the most widely owned security in the world.

About \$1,096,000,000 of Series E Defense Bonds issued in 1941 are still outstanding and will mature month by month between now and the end of 1951. In 1951-54 the amounts maturing will markedly increase, reflecting the heavy wartime sales of E Bonds in war loan drives and on the Payroll Savings Plan during 1942-44. In 1955, maturities will begin to come down to peacetime levels.

In a statement embodying these facts, Chairman Henry Siebman of Milam County Savings Bonds Committee, reminds owners of Series E Bonds that under a recent act of Congress (H.R. 2268), they now have three options at maturity, two of which are new privileges:

(1) CASH. The owner of any Series E Bond may receive, if he wishes, full cash payment by presenting his matured bond to any qualified bank or other paying agent. This has not changed. The new options are:

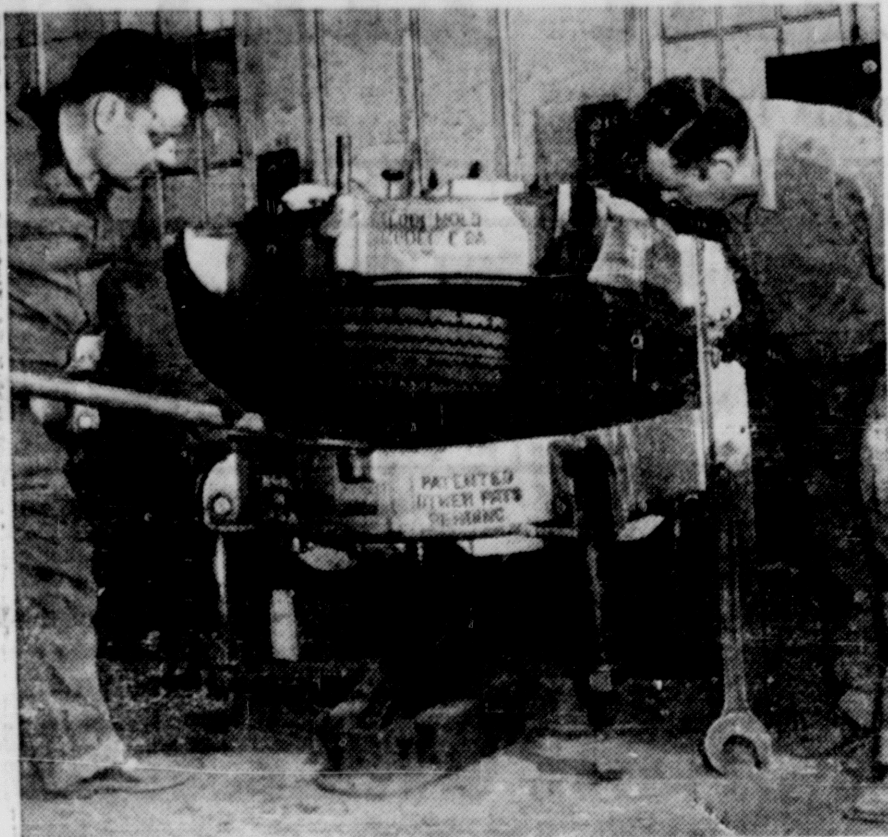

(2) EXTENSION. The owner may retain the matured E Bond and for a period not to exceed ten additional years the cash value of the bond will increase each six months, interest accruing at the rate of 2½% simple interest for 7½ years, and then at an increase rate for the remaining 2½ years, to bring the aggregate interest return to approximately 2.9%, compounded semi-annually (the average rate as for the original -net-year period.) This choice requires no action by the owner of the bond; any E Bond which is not turned in for cash at its original maturity date will be extended automatically until such time as the owner does present it for payment.

(3) EXCHANGE. Those who prefer to receive interest as current income, rather than having it accrue and add to the cash value of the bond, may exchange maturing E Bonds in amounts of \$500 or multiples thereof for Series G Savings Bonds. Series G Bonds are registered bonds issued at face amount. (selling at par.) They bear interest at the rate of 2½% per annum, payable semi-annually from issue date until their maturity in 12 years. There is a time limit after maturity of E Bonds for exchanging them for G bonds; ask at any bank for details. G Bonds may be redeemed at any time after six months from the issue date on one calendar month's notice from the owner. If issued in exchange for maturing E bonds, they will be redeemable for full face value whenever they are presented for payment—a new privilege.

Mrs. C. O. Angell of Route 1, Buckholts was a visitor in the Herald office this past Friday.

Mrs. Lawrence McLarren has returned to her home after being ill and a patient in Newton Memorial Hospital.

New Treads Economical

Truck line operators were the first to realize the economies resulting from having new treads applied to worn tires, and now motorists generally are turning to Firestone's Factory-Method New Treads to obtain all the mileage that was built into today's automobile tire. Shortage of materials for civilian use is threatening a second tire shortage in a 10-year period, as the nation prepares to resist communist aggression over the world, but availability of Firestone New Treads will greatly lessen the inconvenience suffered during World War II as a result of the tire shortage. Improved compounding methods have given a longer wearing tread material which in many cases will give as much mileage as the original tread. Above workmen are removing a large heavy-duty truck tire from a curing mold in a Firestone New Tread shop. Passenger car owners now may obtain a special price on New Tread tires in sets of two, according to Mr. . . . local Firestone (dealer) (store manager). 4-51

G. L. Carson Speaks At Lions Luncheon

C. L. Carson, of Taylor, district manager of the Southwestern Bell Telephone Company was guest speaker at the Lions Club Luncheon, Tuesday, May 1.

Mr Carson gave a brief history of the Southwestern Bell Telephone Company. This is the seventy-fifth year of the company. He related many interesting facts about the company as it has made considerable progress during the past twenty-five years. He introduced Mrs. Ruby Fogle, chief operator of the local exchange.

Mrs. Fogle gave the duties of an operator and explained the training required for an operator. She has been a valued employee of the company for over twenty years.

Bill Arthur was program chairman and introduced Mr. Carson.

Local Attorney Speaks To Rotary Club Wednesday

Don Humble, prominent young Cameron attorney, was guest speaker at the Rotary Luncheon Wednesday May 2.

Mr. Humble was introduced by Roy Griffith, program chairman and gave an interesting talk on "Jury Service Month in Texas," which is sponsored by the American Citizenship Committee of the State Bar Association of Texas. The month of May has been designated as jury service month by Governor Allan Shivers and by a joint resolution of the legislature.

Mr. Humble emphasized the necessity of each person serving on a jury so that they may become acquainted with its procedure. A round table discussion was held after Mr. Humble's address and many viewpoints were expressed by members of the club regarding service on juries. All proved to be very interesting.

Go To Church Sunday.

Three Men Punished For Drunk Driving

Two drunk driving cases were tried in County Court here recently.

Jack Walker of Houston paid a fine of \$50.00 plus cost of court and his license to drive suspended for six months for driving while intoxicated.

Troy William Kimbrell plead guilty to driving while drunk and was fined \$50.00 plus cost of court and his license also suspended for six months.

Max Hahn of Dallas was fined \$75.00 plus cost of court and his license to drive suspended for six months for driving while intoxicated.

OPS Clinic Set For May 16 At Bryan

An all-day price clinic will be held in the county court room of the Brazos County Court House Wednesday, May 16, from 9 A. M. to 5 P. M., Charles H. Winerich, Jr., district director of the Houston Office of Price Stabilization announced.

Mr. Winerich said that these bi-weekly clinics are being held in several localities for the convenience of the local merchants and businessmen and urged that they attend.

Joseph J. Gatti, price specialist in the food branch, and Dewey C. Apple, price specialist in the consumer goods branch, will conduct the OPS price clinic and answer all questions concerning price regulations.

The Bryan OPS contact headquarters includes Brazos, Grimes, Washington, Burleson, Milam, Robertson and Madison Counties.

Mrs. Osborn Johnson, assistant to the chamber of commerce secretary-manager, is the OPS contact in Bryan.

Billy Black has returned to Falfurries after visiting his parents, Sheriff and Mrs. Carl Black here for several weeks. Billy has accepted a position with the Magnolia Oil Co. and works in the land department.

East Texas Chamber Approves New Schools For Boys At Gatesville

The East Texas Chamber of Commerce at its Waco convention last week approved a resolution, proposed by Ernest L. Kurth, Lufkin, urging the State to build four schools to take the place of the present facilities of the State School for Boys at Gatesville, thereby eliminating the present crowded facilities and insuring proper segregation and training of these boys, Hubert M. Harrison, general manager, announced.

Kurth points out that the State Youth Development Council which has made a survey of the conditions and needs of the Gatesville institution reports that it would take more than two million dollars to modernize the

Gatesville plant but that it believes four buildings designed for proper segregation, training and rehabilitation could be constructed for approximately the same amount.

The resolution revealed that 54% of repeaters and 25% of the entire population of the Texas penitentiary come from the State School for Boys at Gatesville. The proposal for four new buildings will aid in correcting the present crowded situation at Gatesville as well as make possible the permanent rehabilitation of the large number of boys who enter this school, officials of the regional chamber believe.

Mrs. J. B. Campbell of Honolulu, Hawaii is visiting her sister Mrs. Mabel Robinson. They will leave Saturday for Fort Worth where they will visit relatives.

NEW
"DEEP WELD"
PLOW SHARES
take shocks
better

A new welding process gives Allis-Chalmers plow shares a test strength more than twice as great as ordinary shares.

A cross section of the Submerged Weld shows deep penetration along the entire bond between plow gunnel and share. Under test, the original metals will break before the weld. In addition, a thicker, more uniform wearing surface is maintained over the tough, soft center.

Here is more plowing service at modern tractor speeds, plus the precision fit for which A-C shares have long been famous. See us now.

Listen to the National Farm and Home Hour on your NBC station every Saturday.

CLARKSON NEWS

Mrs. J. A. Blasienz

Mrs. Emil Skupin was hostess to the H. D. Club at her home, May 3. The recreation was given by the hostess and proved to be very interesting. Mrs. John Wimberly was awarded a prize. Mrs. Doug Crook, Vice President presided in the absence of the president. Mrs. Geo. Dodd, presided over a business session after which the agent, Mrs. Alford gave a talk on the need of a civil defense organization in each community. She showed the group different types of containers for frozen foods and told how to prepare them for the home freezer.

A book on frozen foods and how to freeze was given each member.

Mrs. Skupin assisted by her mother, Mrs. Mary Englebrock served a delicious refreshment plate consisting of chicken salad sandwiches, pickles, congealed salad with whipped cream and ice tea to eight members, the agent and one guest, Mrs. Ed Slavacek.

Miss Josephine Daskocil spent last week end with her sister, Miss Dorothy Daskocil at Ft. Worth.

Mr. and Mrs. Emil Svabodo accompanied by her parents, Mr. and Mrs. S. C. Otaho and granddaughter, Bernice Chollett of Rosebud visited Mr. and Mrs. Henry Richter and family at Cameron recently. Mrs. Richter is the former Annie Otaho.

Mrs. Doug Cook, Mrs. Marion Mitchell, Mrs. John Wimberly and daughter, Patricia attended the Interscholastic league in Cameron Friday.

Mr. and Mrs. Billy Stussell of Temple spent the week end with her parents, Mr. and Mrs. Amos Daskocil. Mr. and Mrs. Herbert Reddehase and her mother, Mrs. Mary Henke and Mr. and Mrs. Dennis Kline visited Mr. and Mrs. Herbert Henke at Killen recently.

Mr. and Mrs. D. D. Harrison and daughters, Linda and Dorothy of Dallas spent the week end with her parents, Mr. and Mrs. J. A. Blasienz. Mr. and Mrs. Erwin Schiller of Temple were visitors in the home of his parents, Mr. and Mrs. Joe Schiller Sunday.

Alvin Dodd of Fort Worth spent the week end with his parents, Mr. and Mrs. V. D. Dodd.

Mr. and Mrs. Thomas Burch and children of Waco were visitors in the home of her parents, Mr. and Mrs. C. S. Robbins over the week end. Mr. and Mrs. Herbert Reddehase visited Mr. and Mrs. Raymond Fussell of Ben Arnold last Sunday.

Mr. and Mrs. R. C. Lacky and family of Mart visited in the home of his brother and family, Mr. and Mrs. Joe Lacky Sunday.

Rev. Zeke Alford filled his regular appointment here Sunday morning. The evening message was delivered by Bro. Bill Webb who came down from Waco with Rev. Alford. They are both students at Baylor.

Miss Dora Blasienz of Rosebud spent a few days this week with her sister, Mrs. C. S. Robbins.

Pvt. Mary Virginia Hawk of the WAC's writes her parents Mr. and Mrs. Jim Hawk that she is now in Washington D. C. and enjoys her work and the sights of the Capitol City.

He said he bribed the jury because the wheels of justice needed a little grease.

Leona Walton, Alma Houston and Joe Bill Harrison visited at Marak Sunday.

Farm Bureau Calls Special Meeting

A special meeting of the Milam County Farm Bureau has been called by Dennis Klein, president, it was announced by Mrs. Jesse Mae Wimberly, secretary.

The meeting will be held in the District Courtroom at the Court house Thursday, May 10 at 8 P. M., Mr. Klein said. The purpose of the meeting is for legislative information concerning the Sewell-Nokes Bill currently before the floor of the Senate.

Walter Hammond president of the Texas Farm Bureau is urging mass meetings of farm bureaus, county courts, cities and schools to unite in calling these meetings. He says from these meetings, people can apprise our representatives in the legislature of their duties to the citizens of this state.

Mr. Hammond requested that a representative from the press be present at these meetings in order that the people may be informed.

Governor Allan Shivers dropped his idea today of boosting the gasoline sales tax. He urged the legislature to increase the natural gas tax by upping the natural gas tax to a flat 10 per cent, or by taking a plan to increase the levy on gas produced primarily for export.

It was also reported that there was widespread talk of a compromise on taxes to end the legislature's session quickly, possibly within a week or ten days.

The governor said he did not favor the Sewell bill taxing pipeline gas on one cent per thousand cubic feet. House backers of the bill said they would continue to fight for their plan.

Final floor action sent two big acts to the governor. One was the bill making possession of slot machines punishable by a two to four year prison term. Another was the bill raising the truck load limit from 18,000 to 58,420 pounds.

A delegation of men left Cameron early Tuesday for Austin to appear in regard to the farm road bill. The commissioners Court was due to send telegrams and phone calls to the legislature today for the same purpose. Bill Arthur, Dennis Klein and S. W. McClaren Jr., were in the delegation, representing the Chamber of Commerce and the Farm Bureau.

Mr. Klien plans to bring home a report concerning the procedures of the meeting with representatives.

Hearne Clubs Announce Annual Flower Show To Be Held May 12

Members of the Hearne Garden Clubs are extending an invitation to interested people in this vicinity to attend the annual flower show, presented by the members of the Hearne Garden Club and the Green Thumb Club.

The show will be held at the Hearne Municipal Club House on May 12, from four until nine o'clock.

A fiesta theme will be used throughout the show.

No admission will be charged and the public is cordially invited.

He was told to take two aspirins and a hot bath. The aspirins went down, but before he could swallow all that water his stomach was moving in and out with the tide.

Students Ready For Junior-Senior Event

Committees in charge of the Junior-Senior Banquet and dance have been announced and preparations are in order for the big event Thursday night May 10.

This is a main affair of the school closing activities. The banquet will be held at the Fellowship Hall at the Methodist Church and the dance at the Yoe High School Gymnasium.

PROGRAM COMMITTEE— Mary Jo Clements, La Verne Michalka, Eloise McGoldrick, Barbara Walton.

DANCE PROGRAM COMMITTEE— Miss Williamson and Florence Ruth Boecker.

TABLE DECORATIONS — Marjorie Richter, Jo Ann Slavik, Nora Frances Price, Eleta Eixman, Betty Jo Holloway.

DECORATIONS IN GYM— Everybody in the Junior Class is taking part with the decorations.

STEERING COMMITTEE — This committee has charge of the ticket sales and the entire business as a whole.

John Henderson, Chairman; Eloise McGoldrick, Florence Ruth Boecker, Glenn Rosenberg, Lee Polansky, Bobbie Stanislaw, President of Jr. Class, Virginia Graham, Dean Fuller, Student Council Representative.

Texas Share Of Draft Only 521 For June

Only 521 Texans will be drafted in June, state headquarters announced Monday.

Received Monday from national headquarters, the quota is the smallest monthly call since the beginning of war in Korea.

The national quota for June is 20,000 men.

State Selective Service Director Paul Wakfield announced there will be no physical examinations during June.

"As long as calls are this small," Wakfield commented, "we can fill them for an indefinite time. We are ready for bigger ones if day to day developments in the world bring about a need for an increase."

Local board quotas for the June call are at present unavailable to state headquarters. Wakfield estimates these quotas will be sent to local boards about May 16 or 17.

Mr. and Mrs. Arnold Kirk and baby son, James Howard of San Antonio spent the week end visiting at Milam and Cameron.

Price Specialists To Be In Waco For Consultation Periods

As a means of giving more service to business men in connection with OPS regulations, the Waco Chamber of Commerce next week will begin a new program to bring price specialists to the city of Waco for regularly scheduled consultation periods or price clinics with the merchants.

The present schedule calls for two price specialists to be in Waco on Tuesday and Wednesday, May 15 and 16, and to return on May 29 and 30. They will be available at the Waco Chamber of Commerce, 416 Franklin, from 9:00 a. m. to 5:00 p. m. on each of the designated dates.

The price specialists' purpose will be to meet with individuals or groups of merchants on whatever problems they have on OPS food and consumer goods regulations. Mr. George D. McCollum, a specialist in the foods field, and Mr. Horace M. Troy, a consumer goods specialist, will be those who will hold the consultations in Waco.

Texas Surplus Camps To Be Surveyed Soon

Two old army camps in Texas, declared surplus after World War II, will be surveyed for possible future use, the Army said Monday.

They are Camp Bowie at Brownwood and Camp Swift at Bastrop.

The Army said, however, that such surveys do not necessarily indicate that the camps will be reacquired or reopened.

OPS CLINIC

The price clinic announced for Bryan on Wednesday May 16 from 9 a. m. to 5 p. m. will be held in the Bryan Chamber of Commerce directors room instead of in the Brazos Court House as announced earlier.

The Bryan Chamber of Commerce is located at Room 604, Varisco Building, and all future price clinics, unless otherwise announced, will be held there.

Joseph J. Gatti, price specialist of the foods branch, and Dewey C. Apple, price specialist in the consumer goods branch, will be the OPS representatives conducting the clinic.

Pre-Registration Day For First Graders To Be Tuesday May 15

Pre-registration day for all beginners that will enter the First Grade in the Ada Henderson School in September of this year will be Tuesday May 15, at 2:30 it was announced by C. L. Canady, principal.

The place of enrollment will be in the gymnasium of the school. Teachers will be on hand to enroll the children and furnish any information regarding vaccination against smallpox and diphtheria. Parents who have children to enroll are asked to keep in mind this date and enroll your child if they reach their sixth birthday on or before September 1.

Military Contracts Due For Construction

Contracts for military construction in the Southwest are expected to be let during the next two months at the rate of \$1,500,000 per day.

Col. Louis W. Prentiss, southwestern division engineers of the U. S. Corps of Engineers, told the Dallas branch of American Society of Engineers at a Monday luncheon the huge contract schedule was part of a \$250,000,000 program authorized for the

The Cameron Herald

If You Want A Perfect Hatch; Let Your Hen Set In A Trailer Truck

The strangest things happen to people in Cameron! This is an experience that happened recently to two Cameron boys.

Last week two young boys were taking a load of hay to Dallas and on their way they stopped at Hillsboro for gasoline for their truck, a trailer truck. While at the filling station, the boys thought they heard some baby chicks peeping and, not thinking seriously about the chicks just forgot the matter.

The boys were Stanley Pratt and Damon Shufield. After Unloading the hay in Dallas, one of the boys noticed that a game hen and one small chicken were near the rear of the truck scratching and clucking. Still this failed to impress the boys too much as they both thought that the hen belonged to a neighbor close by where they unloaded the hay.

On their way home they stopped at a filling station on the outskirts of Dallas. While the service station attendant was filling the tank with gas, he too thought he heard some baby chicks and after a thorough investigation on all parts of the truck, discovered several baby chicks in an oval shaped place above the fifth wheel position on the truck.

The hen that was left in uptown Dallas belonged to Mr. Pratt and had laid a number of eggs in this particular part of the truck and hatched several chicks. The truck during the past three weeks had made several trips to Houston, La Grange and other points in South Texas, carrying the hen and her, unhatched brood along.

After discovering all of this, the boys decided to leave the old hen and her two chicks in Dallas and let them make the best of it, so they gave the rest of the brood to the service station attendant and haded for home.

Counties Said To Be Lightly Infested With Bollworms

Governor Allan Shivers declared 44 Texas counties "lightly enested" with pink bollworms Wednesday.

The proclamations, advised by the Texas pink bollworm commission and state department of agriculture, puts the counties under strict enforcement of planting and plow-up dates set by the agricultural commissioner.

The order swelled to 171 the number of counties now under restriction. Counties affected:

Archer, Clay, Jack, Parker, Young, Stephens, Palo Pinto, Hood, Johnson, Somervell, Bosque, Hill, McLennan, Limestone, Falls and Bell.

Also, Williamson, Milam, Travis, Bastrop, Lee, Austin, Fayette, Comal, Colorado, Lavaca, Blanco, Gillespie, Llano, Kimble, Sutton, Kerr, Real, Kendall, Bandera, Kinney, Val Verde and Edwards.

Also Fort Bend, Brazoria, Chambers, Liberty, Orange and Jefferson.

GM Tops in Safety

General Motors employees in 1950 achieved the best safety and occupational health maintenance record in the 43-year history of the company, when 99.65 per cent of the nearly half-million GM men and women went through the entire year with no time lost from work because of accident or occupational illness. This record earned for GM employees the National Safety Council's highest award of merit. Ned H. Dearborn, right, president of the council, is shown presenting the award to Harlow H. Curtice, executive vice-president of General Motors, at ceremonies held in Detroit.

Mr. Johnson Improving At Hospital From Heart Attack

J. E. Johnson, well known Cameron architect, is improving from a recent heart attack, in the St. Edward Hospital according to Dr. Jack Walker, attending Physician.

Mr. Johnson had been critically ill for almost two weeks and his condition was still known to be serious late last week but he is making considerable progress during recent days. He will be confined to the hospital for several days.

His Many friends will be glad to learn he is much improved and may soon be out again.

Water Officials Hold Meeting

The Central Texas Water and Sewage Works Association met at the dining room of the Corner Cafe Thursday night, May 3.

L. W. Smith, group leader of the organization was in charge of the program. Mayor A. N. Green gave the welcome address and D. S. Wimberly the response.

F. J. Weems, president of the Association presided over the meeting and introduced the various speakers during the evening.

Mr. Ruth, city manager of Temple, gave an interesting talk on how Temple was carrying out their Civil Defense Program and emphasized its importance.

There was a period of questions and answers held where many viewpoints were discussed from various angles. Water meters were also a topic of discussion. The next meeting will be held in Temple in June.

Officers of the association are as follows: W. J. Weems, Temple, president; D. C. Glazner, Killeen, vice-president; John Kubala, West, Secretary-treasurer; L. W. Smith, Cameron, group leader; R. C. Daniel, past president, Mexia.

The following people of Cameron attended the annual State convention of The Christian church held at Dallas last Friday: Mr. and Mrs. Calvin Markham, Mrs. Frank Reid, Bert Nicholson, Billye June Williams, Marie Hearne, Johnnie Mears, Woodrow Cone. They were accompanied by Rev and Mrs. Tommie Bouchard. Rev. Bouchard is the new pastor of the local Christian church.

ALWAYS BE CAREFUL DRIVING

The difference goes more than Skin-Deep

Nobody wonders what you're driving when you roll by in this one.

In the 1951 line-up, its brand-new front-end styling stands out with a beauty all its own.

You're the proud owner of a Buick—and the whole world knows it.

But you—at the wheel—enjoy a long list of differences that go far deeper than looks.

The ride is different—level and true. You sit the road with special assurance—because Buick's torque-tube drive keeps rear wheels firmly aligned—soft coil springs on all four wheels soak up the bumps and bobbles—honest weight keeps you on a steady keel.

The power is different—eager and sure. Buick's high-compression Fireball engine does wonders with fuel—and no matter what you demand in emergency, there's horsepower to spare.

Handling is different—this car seems to steer itself on straightaway or curve—and swings lightly into parking spots inches shorter than you'd think you need.

Capping it all, there's the silken versatility of Dynaflo Drive,* that takes

all the tenseness out of driving—responds to your slightest wish with a surging swoop of power.

No doubt about it, what you get in a Buick is far more than just a new car—it's a whole new experience in getting pleasurably from here to there.

So why not explore this difference? Come, take a Buick over and find out how very much satisfaction smart money can buy.

Equipment, accessories, trim and models are subject to change without notice.

No other car provides all this:

DYNAFLO DRIVE* • FIREBALL POWER
4-WHEEL COIL SPRING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER

*Standard on ROADMASTER, optional at extra cost on other Series.

SOCIETY IN THE NEWS

Mrs. Henry Michalka Is Hostess To Three Arts Club Thursday

Mrs. Henry Michalka was a gracious hostess for the Three Arts Club at her beautiful new home in the Green Addition Thursday afternoon May 3.

A most interesting and entertaining program was arranged for the afternoon with Mrs. Dana Kestenbaum and Mrs. Ben Reichert in charge.

Bradley Davis of Austin was guest speaker and gave an unusual and interesting discussion on "Public School

Camps." He has been affiliated with a number of camps in Austin and Kerrville in the past several years and is noted for his interest and work in connection with this activity.

After his talk, Mr. Bradley showed the members of the club and guests a film in the work and activities that took place at the Friday Mountain Boys Camp near Austin.

Mrs. Michalka used red roses to carry out the color scheme in the living room with a large bouquet on the mantel and the dining room table held a centerpiece of pink stock. The hostess was assisted by Mrs. Dwight Moody, Mrs. John Davis, Mrs. Ben Reichert and Mrs. Herbert Colburn in the hospitalities. She served buffet style a salad course with chicken aspic, orange nut-bread sandwiches, olives and pickles.

Guests for the afternoon were Mrs. Emory Camp, Mrs. Franklin Dusek, Mrs. George Childress, Mrs. David Shapiro, Miss Winnie Henderson, Mrs. Edith Starnes and Miss Mary Randolph.

COMMUNITY PARTY

At Clarkson school house Saturday night May 12. The party is in honor of Pfc. Wendell Mitchell who is home from Korea. The public is invited.

The Cameron Herald

Joe Zalesky Is Honored With Party

Joe Zalesky, well known Buckholts merchants, was honored with a surprise birthday party, Wednesday night, May 2.

Several tables were set up and friends, neighbors and relatives were present to play "42" during the evening. Jo Lee Zalesky received high score and H. A. Baker won low. The traveling prize was awarded to J. H. Jungman.

The honoree received many nice and useful gifts and after the gifts were seen, a refreshment course of sandwiches, cakes and pie was served. Everyone wished him many more happy birthdays.

Girl Scout Troop 208 Enjoys School Program

Girl Scout troop 208 of St. Anthony school, Cameron were invited to Ada Henderson School May 1 where they visited Troop 5 and enjoyed an interesting play put on by the group.

In the play were Carole Ann Leonard, Peggy Hightower, Paula Jean Thompson, Jackie Mauldin, Beverly Lamb, Frances Turner, Gaila Griswold, Jane Bridges and Mary Alice Perry. Mrs. Conrad Jekel is leader of the troop.

Recent Bride Honored With Tea Shower

A tea was given in honor of Mrs. O. J. Tomasek, a recent bride, at the home of Mrs. Edd Tomasek recently.

Mrs. Tomasek is the former Faye O'Leary of Hooker, Oklahoma. Mrs. Frankie Tomasek and Mrs. Pete Va-

culin were co-hostess, who were in the receiving line with the honoree and Mrs. Julius Tomasek.

Inell Tomasek registered the guests in the brides book. Roses and Honey-suckle were used for decorations as well as colored lamps placed about the room.

Virginia Tomasek and Jo Lee Zales-

ky assisted in serving tuna and cheese sandwiches, potato chips, assorted mints, cake and punch. A small umbrella was placed on each sandwich and read "Faye and O. J."

The honoree was presented with many lovely gifts.

Go To Church Sunday.

Livestock Losses Heavy In Eastern Part Of Texas

Wherever there is an over population of biting animals whose natural defense is their, and which travel along the ground, there is a potential danger of rabies outbreak.

This is the word from State Health Officer George W. Cox concerning the disease which is currently flaming over East Texas.

Wild foxes and skunks are chiefly responsible for the East Texas trouble Dr. Cox said, and urged residents to take strong measures against them.

"There's a law prohibiting the sale of pelts during December or January, but there is no law to prevent killing them anytime they can be caught in a rifle sight," the health official declared.

He described rabies as being of two types-- "dumb" and "furious." Either type is one hundred percent fatal to animals and humans once the symptoms develop. And, he added, any warm blooded animal, including birds, can contract the disease.

Disclaiming the classical mad dog with its frothing jaws as "misleading," he explained that a rabid dog's appearance frequently lead the owner to suspect a bone lodged in its throat.

"More than one owner has forced open a dog's mouth to investigate, and made himself loiable to rabies exposure," Cox said.

He urged that suspected animals be put in care of a veterinarian for observation, and declared that a definite change in behavior is usually the first symptom of infection.

Livestock losses have been high in the eastern section of the state, the health officer said, but indicated that they are heightened when wary farmers kill valuable stock because they suspicion rabies.

He said that of the 127 cow heads sent to the State Health Department laboratories for examination so far this year, only 38 of them were positive, ndicating the others had been killed without allowing sufficient time for observation.

Mrs. Ida Mae Hunter of San Antonio is expected to arrive here sometime this month for a months visit in the home of her sister, Mrs. India Stidham. Mrs. Hunter formerly lived in Cameron and has many friends here who welcome her visits.

Larry Wright, son of Mr. and Mrs. Roy Wright had a tonsilectomy at Newton Memorial Hospital Tuesday and is reported resting well.

J. L. Slaughter left Tuesday for Amarillo where h eplans to visit in the home of a daughter, Mr. and Mrs. Y. H. Rice. Mark Rice, little son of Mr. and Mrs. Rice will undergo a tonsilectomy one day this week.

THE STATE OF TEXAS,
TO:
HAROLD ROMINE, defendant in the hereinafter styled and numbered cause;

You are hereby commanded to appear before the District Court of Milam County, Texas, to be held at the Courthouse of said County, in the City of Cameron, Milam County, Texas, at or before 10:00 A. M. on the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, at or before, 10:00 o'clock A. M. of Monday the 4th day of June 1951, and answer the Petition of The Citizens National Bank of Cameron, Texas, Plaintiff in cause No. 13354 styled the Citizens National Bank of Cameron, Texas, vs Harold Romine, et al, in which the following person is plaintiff; The Citizens National Bank of Cameron, Texas, and the following persons are defendants; Harold Romine and W. C. Allen, dba Lack's Associate Store, which petition was filed in said Court on the 1st day of March 1951 in the nature of which said suit is as follows:

Being a suit for foreclosure of two chattel mortgages upon the following described property to wit:

- E-A-8 Hot Point Refrigerator
- 5486 Harwick Range
- 1 Simmons Innerspring Mattress
- 1 Coil Spring
- 2 Mahogany lamp tables
- 2 table lamps
- 1 lawn mower
- 1 Arvin Ironing Board
- LP7 Hot Point Washer
- 2 Piece Hreg Krokler Living Room Suit
- 3 piece Oak Bed Room Suite
- 1 Hollywood Bed
- 1 Mahogany Coffee Table
- 1 5-piece dinette
- 1 Philco Freezer Serial OGC 134008 Model No. DH81

If this Citation is not served within 90 days after date of its issuance, it shall be returned unserved.

Witness, Clerk of the District Court of Milam County, Texas.

Given under my hand and seal of said Court at office in the City of Cameron, this 18th day of April, 1951.

GRADY ALLEN
Clerk of the District Court, Milam County, Texas.

Issued this 18th day of April, 1951.
GRADY ALLEN,
Clerk of the District Court, Milam County, Texas

Baptists To Meet At Ben Arnold Church

The Milam County Baptist Workers Conference will Meet Friday night May 11th at Ben Arnold, it was announced by Rev. P. A. Corkern.

The theme of the conference will be "Enlightening and Enlisting the Evangelized." These programs are always inspirational and much is being emphasized by the churches of the association that all members should make it a point to attend these conferences regularly.

The program for the evening is as follows; 6 P. M. Board Meeting; 7:00 Refreshments; 7:30 song and praise, H. F. Schulz; 7:45 Devotional, Rev. Zeke Alford; 8:00 The Brotherhood Enlightening and Enlisting the Evangelized, A. H. Halberdier; 8:15 the Training Union Enlightening and the Evangelized, Sam Reveile; 8:30 The W.M.U. Enlightening and Enlisting the Evangelized, Mrs. John A. Smith Sr.; The Sunday School Enlightening and the Evangelized, Richard Moseley; 9:00 Announcements, roll call, organizer's report, awarding banner; 9:10 Special music H. F. Schulz; Sermon; Rev. Bob Walker; 9:40 Adjourn.

DRIVER LICENSES WILL COST MORE NEXT FALL

Texas drivers will pay twice as much for their driving license, starting next Fall. The new law was signed today by Gov. Shivers. It goes into effect three months after the Legislature adjourns.

Commercial operator's license jump from \$1 to \$2 and ordinary driver's license advance from 50 cents to \$1. They must be renewed every two years.

Revenue is allocated to the Department of Public Safety. Representative McDaniel of Wichita Falls wrote the bill.

Mrs. Virgel A. Turner and two sons Garry and Tommy of Seguin, and Mrs. Sarah Turner Bankston of Rockdale spent the week end visiting in the home of thir parents and grandparents, Mr. and Mrs. Tom Turner. Master Sgt. Virgel Turner is with the Air Corps and stationed in Japan.

City Council In Regular Session

At the meeting of the City Council Tuesday night L. G. Smith, manager of the Chamber of Commerce appeared before the council asking that the city officials wire or call Senat or Kyle Vick in regard to his support of the Sewel-Nokes Bill 669.

The officials agreed to do so as all cities and municipalities will receive one-fourth of the \$28,000,000.00 that the bill proposes to collect from a tax on natural gas. Where a city puts up one tax dallor it will get back three for any kind of road construction which will greatly aid in some of the smaller towns such as Cameron over the entire state.

Mayor A. N. Green wired Senator Vick early Wednesday morning in regard to the farm road bill that was transferred to the agricultural committee Monday.

Other routine business was taken care of and much discussion was held on the repair of one of the city graders that broke down on the job recently.

A committee was appointed for further study on the subject and will meet at the earliest convenience to take care of the matter.

The new aldermen, O. B. Harden and Robert Weems are doing a good job and much is being expected of these two civic minded young men in carryng out the objectives of the city government.

13 Counties To Be Represented Here

The Central Texas Water and Sewage Works Association will hold its regular monthly meeting tonight in Cameron, it was announced by L. W. Smith, superintendent of the Cameron Water Department.

The meeting will be held in the club rooms of the Corner Cafe and a number of out-of-town speakers will be present to bring discussions that are of great interest and at the same time very helpful and beneficial to all employees of the water company.

Representatives will be here from thirteen Central Texas counties who have had years of experience in the development of a potable water supply for their own cities.

Ronald Hudson, freshman student at A & M College visited his parents over the weekend. Freshmen like it fine at college.

Little Larry Wright who recently underwent a tonsilectomy is reported to be improving nicely.

Texas Farm Products Up One Per Cent During Last Month

The slow but steady climb of Texas farm products prices continued last month.

The U. S. Department of Agriculture's mid-April index showed a 3-point gain. Prices thus were up almost 1 per cent over a month earlier.

Higher prices reported on beef cattle, calves, and some field crops slightly overshadowed price drops on sheep, hogs, lambs, wool, dairy products and poultry.

I never knew cooking could be so **EASY** until I got my new **ELECTRIC RANGE!**

Now . . . cooking even the fanciest, most exotic dishes is "apple-pie" easy.

In fact, with my new electric range, I can almost cook by remote control . . . there's so little watching and waiting to be done. Speedy heating units are ready to go at the flick of a switch. A timing device turns the oven on and off automatically. Thermostatic temperature controls maintain the *exact* heat required . . . and that kind of accuracy means delicious cook-book results every time.

"Apple-pie" easy is right. Baking an apple pie the electric way is so easy, it's standard equipment for midnight raids!

See the new Electric Ranges now on display at your Electric Appliance Dealer's

TEXAS POWER & LIGHT COMPANY

The trucks that do the most for you

Why a "Job-Rated" truck is your safest investment

A "Job-Rated" truck is engineered at the factory to fit a specific job . . . save you money . . . last longer. Every unit from engine to rear axle is "Job-Rated"—engineered to haul a specific load over the roads you travel and at the speeds you require.

Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and others—is engineered right to provide the strength and capacity needed.

Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.

Safer stops with "Job-Rated" brakes

Step on the brakes of your Dodge "Job-Rated" truck and you're sure of smooth stopping action far in excess of normal requirements. You get long-lasting Cyclebond "no-rivet" brake lining—with lining area increased as G.V.W. rating goes up!

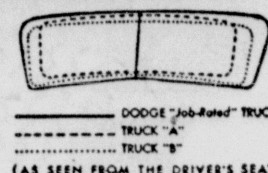

Now, on models 1½-ton and up, except air brake models, you get another Dodge "first"—new Tapered, Molded Cyclebond brake lining. It's longer-lasting, extra quiet—free from "squeal." Independent hand brake also adds to safety.

Safer steering and easier handling

Now, you can maneuver your Dodge "Job-Rated" truck with less effort! Steering is more accurate. New easy-acting worm-and-roller steering gears on many models. To make driving still safer, Dodge "Job-Rated" trucks have new, shorter turning diameters. You also get the easy-handling advantages of cross-steering, short wheelbase, wide front tread. All these features add up to the easiest handling truck on the market!

Safer visibility with "Pilot-House" cabs

When you drive a Dodge "Job-Rated" truck you look through the biggest windshield of any popular truck! You have a clear close-up of the road, made possible by new, lower hood line. For even greater visibility you can get De Luxe and Custom cabs with rear quarter windows. All-steel "Pilot-House" cabs provide extra safety, too. Top, floor and sides are welded together—not bolted! No wonder owners agree that Dodge "Job-Rated" trucks are the *safest* on the road!

FLUID DRIVE now available

Only Dodge "Job-Rated" trucks offer this great "exclusive"—available on all ½-, ¾-, and 1-ton models and Route-Vans. Helps assure less wheel-spinning on slippery surfaces . . . less tendency to spin in mud, sand, snow or wherever the going is tough.

What's more, gyrol Fluid Drive makes driving easier, helps protect loads, lowers upkeep costs, and lengthens truck life.

Come in today... see and drive the "safest" truck on the road . . . a **DODGE "Job-Rated" TRUCK**

Used Car Dealers Must File With Houston OPS

All automobile dealers who sell used cars in the 39 Southeast Texas Counties of the Houston District Office of Price Stabilization must file immediately with the Houston OPS statements showing the pricing guide book they use, Fred C. Hopkins, district price executive declared.

Dealers selling used cars are covered by Supplemental Regulation 5 of the General Ceiling Price Regulation which became effective March 2 Mr. Hopkins pointed out.

Each used car dealer must make his statement in writing on his letterhead. The statement must list the name of the used car pricing guide book which was used by the dealer during the base period of December 19, 1950 through January 25, 1951 or the name of the guide book selected by the dealer if no guide book was used during the base period. If more than one guide book was used during the base period, the dealer must select only one.

Each dealer must also state that he is using and will continue to use the January 1951 issue or January 1951 reprint of the guide book of his selection.

Dealers are required to send their statements to the Office of Price Stabilization, 517 La Branch Street, Houston.

Church Women Meet At Luncheon Friday

Approximately 75 persons were present for the Council of Church Women's Luncheon at the Cameron Country Club, Friday May 4.

There were representatives from the Baptist, Christian, Presbyterian, Methodist and Episcopal Churches present for the affair.

Rev. John C. Solomon gave the address and used as his topic, "Women at Work." He emphasized how women should take their place in the communities and the important role they play in such activities as well as in the home life.

Mrs. J. L. Callaway, president, presided at the meeting. Mrs. W. O. Triggs gave the invocation; Mrs. Wells Smith gave the devotional, assisted by Mrs. O. B. Harden.

Mrs. Mark Magers sang a solo, entitled, "Jesus United By Thy Grace," accompanied by Mrs. Shirley Swift. Mrs. Albert Collins gave the treasurer's report.

The Council of Church Women have been very active in their work in the past few years. Mrs. John Henderson was program chairman and Mrs. Hilliard Thomas was Fellowship chairman.

Yellow and blue were the colors used for decorations and a beautiful centerpiece of day lilies, dutch iris, daisies and delphiniums was artistically arranged by Mrs. Henderson for the head table.

BY ANDY ANDERSON

FISHIN' TIPS
MOST fishermen just tie a bait on a line and go fishin'. The average fisherman doesn't realize that by properly rigging his tackle he can fool the fish. Try this sometime in using a plug or spoon. Tie a loop on the end of your line. Then insert into this loop another loop on the end of a cat gut or nylon leader. Pull the two loops tight. Use a leader about three feet long if you wish. On the end of the leader where the bait goes fashion a smaller loop and to this connect a small snap swivel.

YOU will find that this rig permits you to place all the stress and wear of the cast on the nylon leader rather than on your line. The snap swivel permits for quickly changing baits. The long leader, once wet, tends to give the bait better action and being more or less invisible in the water is supposed to deceive the fish. A black line tied directly to the bait can be seen by the fish as he makes for the bait but the colorless leader gives the illusion that the bait is swimming by itself.

OUT OF THE BAIT BOX

A mole can move an object 32 times its own weight, but who wants to be a mole?

UN Patrols Are Beyond Parallel

(From The Daily)

TOKYO, Monday, May 7— Allied tank-infantry patrols lanced through a 20-mile-deep noman's land and at one point crossed north Korea's 38 parallel Sunday.

Nowhere did they encounter major Communist forces.

The bulk of the Chinese and North Korean Red Army of more than 500,000 men apparently had retired to cover.

Field dispatches filtering through close U. S. 8th Army censorship said the Communists showed little inclination to take the initiative after failure of their big spring offensive, which began two weeks ago.

Unusually large truck movements behind enemy lines were noted, however, by U. S. 5th Air Force and Marine night fighter-bombers. The Air Force reported more than 300 enemy vehicles destroyed or damaged out of 3,745 sighted.

An enemy troop camp near the Hwachon reservoir on the central front was strafed just after sunrise Sunday.

The flight leader reported: "We hit them just as the sun was coming up. They were trying desperately to put out their fires. We put them out for them."

The 8th Army communique Sunday night estimated 1,315 casualties were inflicted on the Reds Saturday—a relatively modest figure.

AP Correspondent John Randolph on the west-central front reported that one South Korean patrol speared close to Kayyong, 33 miles northeast of Seoul. It passed through an area

previously reported to be a big Communist buildup zone, but made no contact with the elusive enemy.

Other Allied tanks and infantry combed through the great "V" between the Pukhan and Han Rivers, East of Seoul, without finding the Reds.

The 38th parallel was crossed in the vicinity of Inje on the east-central front. East of that road junction four miles north of the old political boundary of North and South Korea, the Reds made two pre-dawn attacks with about 300 men.

Dr. George Bowman Attends Dental Society At San Antonio

Dr. George Bowman attended the Annual Texas State Dental Society Convention in San Antonio this week.

The Convention was held in the Gunter Hotel for a period of three days. Many fields of dentistry were discussed during the three day session. All of the new methods and modern dental surgery were demonstrated and discussed at the meeting and all phases were demonstrated and discussed at the meeting and all phases of post-graduate dental work were brought out and explained by some of the noted dentists in the United States.

Mrs. Bowman and the three children, Ann, George Jr., and Betsy accompanied Dr. Bowman and visited many of the historical places in the old Texas city.

Mr. and Mrs. Roman L. Marak spent Sunday on Galveston beach. They also visited Mr. and Mrs. George Tepera at Houston.

It's the only new-type engine in any "new car"!

Chrysler FirePower *Finest engine ever put in an automobile*

180 HORSEPOWER

The new Chrysler Hemispherical Combustion Chamber, heart of the finest car engine built today. In this dome-topped area, you see the only ideal combustion chamber... the only way to develop full combustion, full compression, full work and value from every drop of fuel!

With so many engines claiming newness... how can we call FirePower the only new type engine today? The answer's very simple, and one you ought to know before you invest in a car. The fact is that engine "improvements" happen every year... but a basically new motor car engine is a very rare thing. And FirePower is the most basic new development since Chrysler introduced high-compression in 1924!

To get to the heart of the matter, just go to the heart of the engine... the combustion chamber where the spark fires gas into power. Here Chrysler brings you something no car has had till now... a Hemispherical combustion chamber... the only perfect and ideal combustion chamber in any passenger car. Here the same amount of gasoline delivers you

far more energy than it could in any other car.

What this means to the man at FirePower's wheel is impossible to tell you till you take that wheel yourself. FirePower's 180 horsepower can outperform any other engine on the road, even on regular grade gas.

Remember, too, that Chrysler now offers the wondrous road-ease of new Oriflow shock absorbers with twice the shock-absorbing power of any others... and the exclusive safety and delight of Hydrguide power steering* which takes four-fifths of the work out of steering! You can learn for yourself how Chrysler has changed your motoring life by seeing your Chrysler dealer now!

*HYDRAGUIDE regular on Crown Imperials, optional at extra cost on all New Yorker and Imperial models.

Little Donna Kay Reed Enrolls At Baptist Academy at San Marcos

Little Donna Kay Reed, granddaughter of Mr. and Mrs. J. J. Martin of Cameron has enrolled in the Baptist Academy at San Marcos for pre-school work.

Donna is only six years old and will be in San Marcos for several weeks. At the college the children have their classes, engage in out-door games, go to movies and take part in other curriculum activities. She likes it fine but kinda gets home sick at times. In a phone call to her grandmother Sunday night she said she would like to see everyone in Cameron.

SISTER OF—

(Continued from page one)
for University at Independence.

Funeral services were held from the home at 3:30 P. M. Tuesday April 24, Rev. Charles Williamson, pastor of the Independence Baptist Church, officiating. Burial was made in the Independence Cemetery with Leon Simank Funeral Home directing the arrangements.

Survivors are one brother, Frank S. Blue of Independence; four sisters, Mrs. B. F. Bailey of Cameron, Mrs. C. W. Styles of Brenham; Mrs. Asa Williams and Mrs. A. T. P. Wheeler of Independence. A number of nieces and nephews also survive.

Mr and Mrs. R. M. Clark, Christy and Forrest of San Gabriel recently visited Mr. and Mrs. Homer Allen.

Milam County Negro 4-H Clubs Observe Achievement Day

Cameron— The girls and boys 4-H clubs of Milam County had their annual achievement day Friday, May 4, 1951 at the Sharp School, with an attendance of about 1000 4-H'ers and adults. The activities for the day were: a talent program, display of exhibits from each 4-H club, an exhibition of square dance numbers by the Milano and Yarrellton 4-H clubs, and soft ball games.

The main feature of the opening program was an address given by M. G. Harper, Superintendent of the Sharp Schools. Mrs. J. Lattimore was the pianist for the day and prayer was offered by Rev. Wm. B. Wales, Cameron.

The talent program followed with the following 4-H clubs represented: San Gabriel, Branchville, Yarrellton, Davilla, Curry, Clarkson, Sharp and Buckholts, Milano, Beal's Chapel, Pleasant Grove, Briary, Burlington, Thorndale, Baileyville, Cox's Providence.

The opening program began promptly at 10:30, and was completed at 12:30, including the square dance exhibition, after which picnic lunches were spread under the beautiful oaks that shade the campus. Soft ball games occupied the rest of the afternoon. The hospitality of the principal, Mrs. L. T. Austin, the assistant teacher Mrs. W. L. Calhoun, and the patrons of the Sharp community will long be remembered by people who attended.

Martha A. Rnfro is the negro County Home Demonstration Agent and C. R. Walker is negro County Agriculture Agent.

FEDERAL MEAT —

(Continued from page one)

ions that reduce the prices that slaughterers can pay for beef cattle and that wholesalers may change retailers.

Cattle prices will be reduced about 10 per cent on May 20, another 4½ per cent on July 29 and still another 4½ per cent on September 30.

The prices the slaughterers may pay for cattle are the lowest which would protect cattle feeders against inventory losses on cattle acquired before the freeze date. The three reductions consider both the feeder's position and gives assurance of orderly marketing through normal channels.

Put May 14 down as still another red letter date for consumers. That is the date that retail grocers as well as wholesalers are required to put into effect ceiling prices for many standard grocery items.

This means that all retailers must recalculate their prices on many items to determine their allowable ceiling prices. Retailers selling grocery items may obtain information and help they need from the District Office of Price Stabilization, 517 La Branch Street, Houston. Information may also be obtained from local chambers of commerce.

Everything's O.K.! It's a BOY!

What price good news?

So often it's the price of a telephone call . . . and that means just a few pennies to spread the glad tidings.

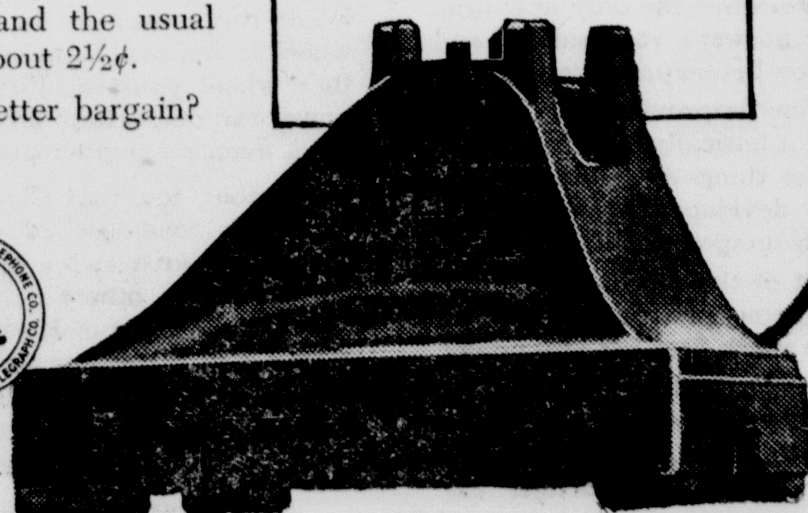

Worth more? Of course. Many telephone calls are practically priceless in their value to you.

And yet the average cost, including tax, of each local telephone call—the big, important calls and the usual everyday variety—is about 2½¢.

Can you think of a better bargain?

A GROWING BARGAIN!

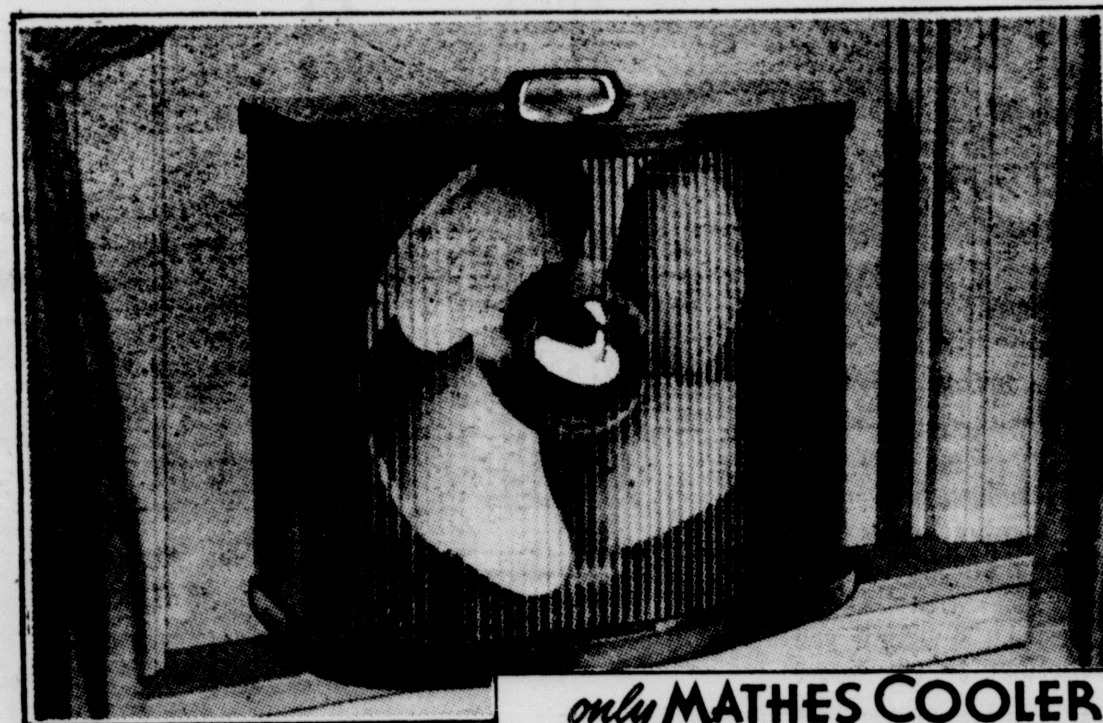

Telephone service has gone up far less than most things you buy—far less than the average family income.

EVERY HELLO IS A GOOD BUY!
